

TEAMS Roles Assigned as of 2/25/2013

Based on the district's or cooperative's request, OPI has established user names and passwords for people listed below and will set up these users with the TEAMS Human Resources Role or Authorized Representative (AR) Role, as indicated. Districts and special education cooperatives will normally want to have at least one person assigned to the TEAMS HR Role in order to use the TEAMS reporting system for School Employee ID (SEID) numbers and the Terms of Employment (TOE) Data Report in March 2013. However, ARs have full rights and may perform the TEAMS HR Role, if desired. If your district is not listed below, please have the AR submit the TEAMS Security Form to OPI. Call Mary Graff at (406) 444-3448 if you have questions.

[TEAMS Security Form:
